

Abstract Publications

International Journal of Gynecological Cancer (IJGC) Publication

[IJGC Publication](#) All accepted abstracts of registered abstract presenters will be published in the International Journal of Gynecological Cancer (IJGC). Please note the below important items:

- Only abstracts of presenting authors who have finalized their registration for the IGCS 2023 Meeting as of **August 31, 2023**, will be included in the Journal.
 - This concerns abstracts and/or surgical films submitted during the regular abstract submission period with a deadline of May 8, 2023.
 - Presenters of only late-breaking and/or trial-in-progress abstracts will be contacted separately via their acceptance notifications.
 - Please review the [Abstract Submission Guidelines](#) for detailed timelines regarding abstract submission.
- Abstracts of presenting authors who have not completed their registration **by August 31, 2023**, are removed from the IGCS 2023 scientific program.
 - It is the initially assigned presenting author's responsibility to notify the meeting organizers **by August 31, 2023**, in case they are unable to register and would like to change the presenter to another registered co-author from the author block. Registration records are checked only against the assigned presenting author details.
- Any changes past **August 31, 2023**, will not be reflected

in the Journal publication.
